## FRENCH OAK CLASSIC CAFÉ CRÈME, DIVA 223 TONGUE&GROOVE / 15 MM Diva 223 - 8 3/4" TONGUE&GROOVE / 5/8

### Characteristics

**Species:** French oak **Origin:** France

**Grade:** Classic - Light and dark wood, black knots, medular rays, traces of discolouration.

**Finish:** Café crème - brushed, coffee latte tone matt lacquered / Ecostrong matt lacquer - Gloss: 4/6

### Design

Engineered extra-wide single plank made under the patent EN 13489  
Tongue&Groove

### Description

|                                      |            |
|--------------------------------------|------------|
| <b>Width:</b> 223 mm                 | 8 3/4"     |
| <b>Length:</b> 700 to 2000 mm        | 27" to 78" |
| <b>Thickness:</b> 15 mm              | 5/8"       |
| <b>Top layer:</b> 4.5 mm             | 5          |
| <b>Core:</b> plywood                 |            |
| <b>Counterbalance:</b> unrolled wood |            |
| <b>Profile:</b> 2 bevels             |            |

### Packaging

**Pack/pallet:** 39

**sqm/pack:** 1.78  
**sqm/pallet:** 69.42

**sqft/pack:** 19.15  
**sqft/pallet:** 747.23

**Weight/sqm:** 10.9 Kg  
**Weight/sqft:** 1.01  
**Weight/pallet:** 756.7 Kg

if installation and  
maintenance rules are  
followed

### Installation method

Floating glued  
installation under the  
patent DTU 51.11

Glue down installation  
under the patent DTU 51.2

Fully glue down using our  
special Presto PM glue.

# DECLARATION OF PERFORMANCE

## N° 1022062

**Unique identification code of product-type:** Diva 223 Tongue&Groove, 15 mm, French oak

Diva 223 - 8 3/4" Tongue&Groove /5/8

**Intended use/es:** Engineered single plank made under the patent EN 13489

Floating glued installation under the patent DTU 51.11

**Manufacturer:** PANAGET - 3 rue d'Orgères 35230 Bourgbarré / FRANCE

**System/s of Assessment and Verification of Constancy of Performance:** n°4

**Harmonised standard:** EN 14342 : 2013

### Declared performances:

| Essential features                             | Performances                               | Appropriate Technical Documentation and/or Specific Technical Documentation |
|------------------------------------------------|--------------------------------------------|-----------------------------------------------------------------------------|
| Reaction of fire                               | Dfl-s1                                     | EN 14342 : 2013                                                             |
| Features for this classification:              |                                            |                                                                             |
| - Average minimum density (Kg/m <sup>3</sup> ) | 500                                        |                                                                             |
| - Average thickness (mm)                       | 15                                         |                                                                             |
| - Intended use, fitting mode                   | Floating fit                               |                                                                             |
| Formaldehyde emission                          | E1                                         | EN 717-1                                                                    |
| Content of pentachlorophenol                   | PCP ≤ 5 ppm                                | -                                                                           |
| Release of other dangerous substances:         |                                            | ISO 16000                                                                   |
| - VOC* emissions (Decree No 2011-321)          | Class A+                                   |                                                                             |
| - CMR 1&2** emissions (Decree No DEV0910046A)  | < 1µg/m <sup>3</sup>                       |                                                                             |
| Breaking strength                              | N/A                                        | -                                                                           |
| Slipperiness                                   | N/A                                        | -                                                                           |
| Thermal conductivity (W/m.K)                   | 0.15                                       | EN 14342 / Chapter 4.7                                                      |
| Thermal resistance (m <sup>2</sup> .K/W)       | 0.100                                      |                                                                             |
| Biological sustainability                      | Class 1                                    | EN 335                                                                      |
| RE2020 - Building Carbon Index                 | 3 kg.CO <sub>2</sub> /m <sup>2</sup>       | -                                                                           |
| FDES 2022 - Life Cycle impact assessment       | 8.6 kg éq. CO <sub>2</sub> /m <sup>2</sup> | -                                                                           |

N/A : Not Applicate

\*VOC: Volatile Organic Compounds

\*\*CMR 1&2: Carcinogenics, Mutagens or Reproductive toxin of 1&2 category.

The performances of product identified above is in conformity with the set of declared performance/s. This declaration of performance is issued, in accordance with Regulation (EU) No 305/2011 under the sole responsibility of the manufacturer identified above.

Signed for and behalf of the manufacturer by: Carole FRANÇOIS - Executive Director

Bourgbarré, January 27th 2025
